The funny part of it is the Govt. D.O. is marked Confidential & it has to be sent in original or extenso to the Govt!!

Please return the letters when done with

Since the Govt. D.O. is practically the source of action - I think the real intentions of Govt. must be made clear

GOVERNMENT OF MYSORE.

OFFICE OF THE INSPECTOR GENERAL OF EDUCATION IN MYSORE.

Bangalore, 27-8-18

Dear Mr Hanumanthaiya

Enclosed are some letters from anyone which are self-explanatory & which call for immediate action of the Diplomatic type.

The Trust-board's decision is to be set aside, which raises a grave question whether it is an advisory body or the Trust-

Court - w an executive
body with definite powers
supreme so long as it does
not - go beyond its legal
Competence.

I can only say that this
is another instance of the
Aleigarchical Contempt for
law + Constitution where its interests
or hostility is concerned

This raises a grave issue
the Waqf school is an aided
agency. Who is the agent?
The Dist. Judge Cerlli the trust
Board as an advisory body
or the Trust Board civil
the Dist Judge as the ministrat
authority over the formal
regulating & its business?
If the Dist. Judge is the authority,
then it can hardly be an
aided agency — he being judicial acting as Official of the
Court is becomes real - indeed!!
I am not commenting
on any action sub-judice -
because the Judge here is
acting as an executive pin
on his own initiative of not-
on any petition. He is.
acting as a ministerial
Chief or authority under the will
